Note on Proposed ORE on Berlin Youth Rally

25X1A At the last minute on Friday, 5 May, 1950, I was informed by [redacted] by phone that OIR had promised its contribution to this paper for Tuesday, 9 May.

On this basis, and with the understanding that the D/EE contribution can be made as readily, it appears that we should have the draft ORE in D/Pub by 12 May, and possibly have it out before 19 May.
